

## Meeting Dates

The next meeting is scheduled for November 10<sup>th</sup>, but as we have the centenary of the war memorial this year and remembrance Sunday is November 14<sup>th</sup>, this is too close to make final arrangements for the event.

To find a mid-point and to fit in with holidays, I propose that we bring forward the November meeting to October 20<sup>th</sup>, then, because the following one is not scheduled until January, fit in an additional meeting on December 8<sup>th</sup>.
