

13. Donation Request

I have received the email below, requesting a donation towards the OAP's Christmas tea party. Our policy allows for individual grants of up to £150. Any amount donated would be classed as a S137 grant and would be allowable within our budget.

The Council needs to decide if they wish to make a donation and if so, how much.

Dear Parton parish Council

We are a small village hall with a big heart and this Christmas we have organised a Pensioner's tea party for all the elderly in our village. These past few years have been a turbulent time for a lot of the older community especially after the outbreak of COVID-19. It will have a long-term and profound impact on our elderly's health and wellbeing, Social isolation and loneliness are major risk factors that have been linked with poor physical and mental health status

We want to treat our village elders and to do this we need your help.

We are holding a tea party on Sunday 19th December to treat all of Parton's Pensioners, we will be providing food, drinks, transport and entertainment. I am emailing you to ask if you would kindly donate any Money towards our Christmas tea party.

Thankyou in advance

Kind Regards

Tracey, Claire and Natalie
