

## **10. Community Asset Transfers**

Carried forward from the last meeting.

If the Council were to apply to take ownership of the football field, allotments and bowling green through the community asset transfer scheme, we would need to demonstrate how this would benefit the people of the parish and put together a budget/business plan to show how we would manage and maintain these areas.

At the last meeting, councillors were asked to bring ideas back for discussion this evening and the forms were forwarded to them for consideration.

Council needs to decide what the case is that they will put forward and if they wish to proceed with the application for all, or just some of the areas.
